EcoVantage

EcoVantage 40W 120V G16.5 WH 2BC

The new EcoVantage bulbs reduce energy consumption without sacrificing the qualities of a traditional bulb. They uniquely produce light more efficiently. They work with dimmer switches and are available in the familiar A-shape design. Use them in existing fixtures just as you would standard incandescents and your home will look great while you save energy.

Product data

• General Characteristics
